- #USG340708** 14" x 4.75"
- #USG340709** 16" x 4.75"

These trowels are built to the highest standards that you have come to expect from the Sheetrock Tools brand.

They are offered in both the Classic and Matrix styles. The Classic trowel features a perfectly shaped wood handle professionals will know and love. The Matrix line sports the revolutionary new ergonomic cork handle for maximum comfort. Both, the Classic and Matrix trowels are manufactured with the highest grade tempered hardened chromium-molybdenum stainless steel blades that are shaped and ground to perfection. Designed with the professional in mind, every trowel is lightweight, flexible, durable and comfortable. Sheetrock Tools has done it again!
